

FLEXIBLE DAY SUPPORT  
TAILORED TO INDIVIDUAL NEED

# Doing things your way

## "McCallum Community Connections program provides flexible day support in Western Victoria"

We support people to meet their goals in group and 1:1 arrangements, depending on their needs.

Explore and choose options that interest you in the community, such as:

- Health & Wellbeing
- Multimedia & Arts
- Library & Reading
- Design & Construction
- Yoga & Relaxation
- Meals on Wheels
- Horticulture & Gardening
- Volunteering
- Communications
- Personal Skill Development
- Social Connections
- Activities & Camps
- Swimming & Movement
- Basketball & Ball Skills
- Hip Hop & Dance
- Sailing
- Public Transport & Travel
- Sensory & Tactile Programs

All programs are supported by trained and professional staff.

# The decision is yours

**“Each of McCallum’s six dedicated program facilities has an identified focus based on participants’ skill levels, support needs and goals”**

Community Connections have a wide range of centre based and community based group support programs available. These specialised environments:

- Provide a safe and secure environment
- Encourage skills development
- Increase independence & confidence
- Create inclusive teams and promote positive behaviours
- Stimulate creativity
- Enhance community inclusion

**“The choice and control is yours to help reach your goals and aspirations”**

# Real People. Real Experiences.

"Our son has been part of the McCallum family for over 25 years.  
For us the stand out at McCallum is the **dedicated, patient and caring staff**.

The facility and individual **programs** are excellent and the McCallum brand is **well respected** throughout our city."

"Our son has been a client of McCallum's for several years and we could not be happier with his program and the organisation as a whole. We are most impressed with the staff, who are **warm, friendly, accommodating** and, above all, **very professional**.

Discussion on any matter is encouraged, always with the aim of finding solutions to any challenges and working towards achieving personal goals.

We cannot recommend McCallum's services highly enough."
