So, you've finished school. Now what do you do?

Like many young adults leaving secondary school, you may be overwhelmed by what you want to do in the future. If you're not sure about what you'd like to do or want to sample some of the options available to you, then the School Leavers Employment Support (SLES) might be what you're looking for.

SLES offers individualised mentoring and support for young people up to the age of 25 to plan your pathway into Employment.

How do I get SLES in my NDIS Plan?

If you don't have SLES in your NDIS Plan you will need to contact your Local Area Coordinator (LAC) to request that SLES funding be included in your NDIS Plan. In order for SLES to be in your NDIS Plan you will need to request a "Plan Review"

What important skills and supports are part of the SLES program?

SLES supports will be tailored to meet your individual employment goals, which may include but not limited to:

- Travel training
- Time management
- Money handling
- Further study and individualised training
- Ongoing access to training in Industry accredited courses such as:
 - Food Safety Handling Certificate
 - Espresso Coffee Training
- Cover letter and resume writing
- Job application and interview skills
- Retail customer service training
- Potential to explore volunteer work
- Work placements in area of specific interest
- Connecting participants with other specialised support services
- Individualised case management by one of McCallum's SLES mentors
- Opportunities to explore different Industries by attending site tours
- Attending and engaging in regular 1:1 mentoring sessions
- On the job support once employment has been secured

McCallum Enterprises Work Experience opportunities

- Golden Opportunity Coffee Van
- Packing and Assembly
- Food packaging
- Plastic Recycling
- Cardboard Recycling

What other work experience is available?

The McCallum SLES team will assist you in finding and engaging in any additional work experience opportunities in open employment.

A Golden Opportunity

McCallum and The Golden Nugget have partnered to create a mobile food trailer called "The Golden Opportunity". This trailer will allow our SLES Participants the opportunity to learn new skills whilst selling delicious food and drink to people in the community.

Will someone support me through the program?

McCallum's SLES team will work with you to develop individual plans outlining employment goals and how McCallum will support you to achieve these.

By participating in McCallum's SLES program, you will learn skills that improve your ability to create connections within the community and assist you to find and maintain work.
