

Position Description

Program: McCallum Accommodation
Position: Supervisor
Reporting to: Manager / Assistant Manager Accommodation

Responsible for: Implementation of services within the Policies and Procedures issued by the McCallum Board of Governors through the Chief Executive Officer with the focus being on supporting people with a disability to participate in valued roles and to lead self-directed lives.

Organisational Environment:

McCallum provides a diverse range of services to people with disabilities. In addition to supported accommodation, other services include; support with independent living, employment services, community connections and home and flexible support in the Grampians region.

Accommodation Supervisor:

Our homes are purpose built to create a safe and comfortable place for people to live. It is the person's home and they are supported by staff to make informed choices and decisions around all areas of their life. They are supported to be as independent as possible and to be part of their community.

Supervisors implement, assess, design, monitor and review the planning process for people living in our homes within a timely manner. Plans are whole-life-dreams; they are instructions to support workers and they are the person's wishes. They are communication tool to family, friends and the community. There is no one way for a plan to be done. The actual tool to develop the plan will depend on the person's needs, dreams, goals and aspirations at that particular time in their life. The person owns and drives their plan. Staff will facilitate the plan but will not control the plan nor dictate the outcome. Their plan will give people choices, encourage independence, involve family and friends if they choose, be put together in a way they like, support them to be part of the community and look at all services and supports.

Supervisors support people who are registered on Department of Human Services Disability Support Register.

Supervisor's will maintain and ensure that their team maintains a high personal and professional standard with regard to appropriate presentation and behaviour in all dealings.

Supervisors will ensure that the person supported will have the appropriate personal care and grooming when required.

Staff working in McCallum's homes will work shift work, including sleepovers or active nights and weekends if required as per needs of the people supported.

Periodically be responsible for other tasks assigned by the Assistant Manager/Manager Accommodation when required.

Philosophy:

The Residential Supervisor is required to carry out his/her designated duties in accordance with the following:

A commitment to the principles and objectives of the *Disability Services Act 2006*, the *Charter of Human Rights and Responsibilities Act 2006*, and be familiar with the vision of the Disability State Plan and have a sound knowledge and understanding of the current trends in the provision of self-directed service models, community based services and of the needs and interests of people with disabilities in a day service situation.

Provide a range of activities and supports in a range of locations for people with a disability.

Ensure the delivery of high quality services that meet the needs of each person with a disability, their families, and their carers and any health professionals

Promote community inclusion and person directed support that exceeds the minimum disability standards and are delivered within the available resources.

Duties and Responsibilities:

Values in Practice

Treat everyone with respect and act as a positive role model for staff and person supported, using appropriate and respectful language.

Ensure each person supported, makes decisions and exercises choice as much as possible on a daily basis.

Recognise the rights and responsibilities of each person supported and staff member
