

**So, you're leaving school.  
Now what do you do?**

School Leaver Employment Support (SLES) offers individualised support for up to 2 years after finishing year 12 to help you get ready for work and plan your pathway into employment.

**What supports will McCallum provide?**

SLES supports will be tailored to meet your individual employment goals, which may include:

- Travel Training • Time Management
- Money Handling • Taking Instructions
- Work Experience

## Benefits & Development Outcomes of SLES

- 1 Receive ongoing work placement (in a paid or voluntary capacity).
- 2 Create connections within the community that assists you to find and maintain work.
- 3 Learn skills that improve your ability to find and maintain work, as well as provide you with a greater choice of work opportunities.
- 4 Develop and achieve your personal goals related to work, work experience or work related skills.

# What does McCallum's SLES Program Look Like?

*SLES applicants will complete a minimum 15 contact hours per week undertaking a mixture of work experience, training and employment support.*

## 1 Work Experience

McCallum Industries has a mixture of different employment options that you will be introduced to, such as:

- A commercial laundry
- Offsite manufacturing at MaxiTrans
- Delivery & collection
- Small components assembly
- Commercial cleaning
- Gardening

## 2 Training

As part of McCallum's SLES Program you will be enrolled in a *Certificate I in Transition Education* to help you on your career pathway.

Training is provided by gOworkskills, a Registered Training Organisation (R.T.O), which will provide you with the knowledge and skills you need to further your career.

## 3 Employment Support

McCallum SLES Coordinator will provide you with individualised employment support to ensure you're:

- Undertaking work experience in areas of specific interest
- Successfully completing your training and development
- Aware of employment opportunities in the open employment market
